

ABNOX PRESSURE GAUGE LEVER GREASE GUN 450 BAR - ROD

Model: 3042111

Description

High pressure lever grease gun with pressure gauge that is ideal for lubricating milling troughs and clamping tools due to its working pressure of 450 bar.

Including HD hose, curved pipe hydraulic lubrication coupling, pressure gauge (max. 600 bar) and filler cap.

Technical data

Burst pressure (bar)	600
Pressure (bar)	100-450
Capacity (cm³)	400/500
