

GLORIA 410 TKS PROFILINE - 10 LITERS WITH SPIRAL HOSE

Model: 4160000

Description

The powerful 410 TKS sprayer has a pressure reservoir made of steel with a high-quality plastic inner coating, which can hold 10 l of spray

and is suitable for an operating pressure of max. 6 bar.

Thanks to special gaskets, it is ideal for distributing oil-containing liquids.

The model is equipped with a spiral hose and a compressor connection. It therefore offers great freedom of movement and extra comfort.

The TÜV and GS seal is a testament to the quality and safety of the high-performance nozzle.
