

MECLUBE PNEUMATIC OIL / CHEMICAL PUMP 3:1, MOD, 1203D

Model: 021-1203-DV0

Description

Double-acting air-operated industrial pump HIGH DELIVERY
ratio 3:1

Delivery capacity 100 l/min
For wall-fixed or steady emplacement

General data

Weight (kg)	48
--------------------	----

Technical data

Pressure (bar)	6-8
-----------------------	-----

Compressive force	2,90 m ³ /min (bij 8 bar)
--------------------------	--------------------------------------

Output (ml)	100 l/min (bij 6 bar)
--------------------	-----------------------

Specificaties

Air inlet connection	F 1/2 G BSP
-----------------------------	-------------

Grease outlet connection	F 1.1/2 G BSP
---------------------------------	---------------

Shank diameter	100 mm
-----------------------	--------

Compression ratio	3:1
--------------------------	-----
